CHARDON LAKES GOLF COURSE

University Hospitals
Geauga Medical Center

A Campus of UH Regional Hospitals

Please join us for the Maureen and Lisa Memorial Golf Outing. We will have a great day of golf *benefiting Seidman Cancer Center at UH Geauga Medical Center, a Campus of Regional Hospitals*

Both my sister Maureen and wife Lisa died of cancer. I am at a point in my life when I can finally devote time to battle this terrible disease. This is the reason I want to sponsor an annual golf event, naming it *"The Maureen and Lisa Memorial Golf Outing."* This will be in conjunction with University Hospitals' Seidman Cancer Center at the Geauga Medical Center. We need to help finance this treatment facility that is easily accessible to Cleveland's far eastern communities.

I am requesting your support for this annual memorial fundraiser. Enclosed are materials outlining sponsorship opportunities. A member of my Planning Committee will be contacting you soon to confirm your support and answer any questions.

Most sincerely,
Joseph P. Cook
